

MOTOROLA SOLUTIONS

FACT SHEET

Motorola Solutions is a global leader in public safety and enterprise security. Our solutions in land mobile radio communications, video security & access control and command center software, bolstered by managed & support services, create the most integrated technology ecosystem to make communities safer and help businesses stay productive and secure.

We have a rich history of firsts, including pioneering mobile communications in the 1930s, creating the technology that carried the first words from the moon in 1969, developing the first commercial handheld cellular phone in 1983 and revolutionizing public safety solutions with the first end-to-end public safety software suite in 2018, the launch of the first public safety smart radio, APX NEXT in 2019, and the first AI-enabled in-car video system for law enforcement, M500 in 2021.

Today, our global employees are committed to designing and delivering the solutions our customers refer to as their lifeline. At Motorola Solutions, we are ushering in a new era in public safety and security.
